

NimbusCloud Storage — Product Overview

Internal Documentation · Version 2.3 · Published March 2026

1. What is NimbusCloud Storage?

NimbusCloud Storage is a cloud-based file storage and synchronization service designed for small and medium-sized businesses. It allows teams to store, share, and collaborate on files across devices, with automatic syncing and version history for every uploaded document.

2. Pricing Plans

NimbusCloud Storage offers three pricing tiers. The Starter plan costs \$8 per user per month and includes 100 GB of storage per user. The Team plan costs \$15 per user per month and includes 1 TB of storage per user, along with advanced sharing permissions. The Enterprise plan is custom-priced and includes unlimited storage, dedicated support, and single sign-on (SSO) integration.

3. Refund Policy

Customers may request a full refund within 14 days of their initial purchase if they are not satisfied with the service. Refund requests after the 14-day window are evaluated on a case-by-case basis and are not guaranteed. Annual plans that are cancelled after 30 days are refunded on a prorated basis for the remaining unused months.

4. Security & Compliance

All files stored on NimbusCloud are encrypted at rest using AES-256 encryption and in transit using TLS 1.3. NimbusCloud is compliant with SOC 2 Type II and GDPR requirements. Two-factor authentication (2FA) is available on all plans and is mandatory for the Enterprise tier.

5. Supported Platforms

NimbusCloud Storage is available as a desktop application for Windows and macOS, a mobile app for iOS and Android, and a web-based dashboard accessible from any modern browser. A command-line interface (CLI) is available for the Team and Enterprise plans for automated file operations.

6. Customer Support

Starter plan customers have access to email support with a response time of up to 48 hours. Team plan customers receive priority email support with a response time of up to 12 hours. Enterprise customers are assigned a dedicated account manager and have access to 24/7

phone support.
